# DC Materials Handler - Outbound

## Excellent Match

**O'Reilly Auto Parts**

Houston, TX 77041

Local

As a DC Materials Handler - Outbound at O'Reilly Auto Parts in Houston, TX, you will perform essential outbound functions such as loading, picking, and packing orders for shipment. Your responsibilities include locating merchandise, ensuring accuracy in order fulfillment, and maintaining productivity standards. The role requires you to operate handheld computers and load trucks efficiently while adhering to safety standards. O'Reilly Auto Parts emphasizes a promote-from-within philosophy, providing opportunities for career growth and development. The total compensation package includes competitive wages, paid time off, medical benefits, and educational assistance programs. This position is entry-level friendly and encourages individuals to grow their careers within the organization.

# Warehouse & Delivery Manager

Possible Fit

STEPPING STONE

Luce Coffee Roasters

Houston, TX 77018

Local

Luce Coffee Roasters is looking for a Warehouse and Delivery Manager to oversee warehouse operations in Houston, TX. This role involves managing the receiving, storage, and shipping of materials, ensuring compliance with OSHA regulations, and performing heavy lifting of up to 130 pounds. The position offers a pay range of \$11.00 - \$13.00 per hour and requires collaboration with team members to optimize workflow and maintain inventory levels. While previous experience in warehouse distribution is preferred, it is not mandatory, making this role somewhat accessible for entry-level candidates. The job is full-time or part-time, with expected hours around 35 per week, and requires in-person work at the Houston location. Candidates should have a strong understanding of warehouse processes and be able to operate heavy equipment safely.

# Warehouse Associate

## Possible Fit

### CKS Resources

Houston, TX 77013

Local

CKS Resources is looking for a dedicated Warehouse Associate to join their team in Houston, TX. This role involves managing inventory control, operating heavy equipment like forklifts and pallet jacks, and performing shipping and receiving tasks. The position requires engaging in heavy lifting (30-40 lbs) and maintaining a clean warehouse environment in compliance with OSHA regulations. While previous warehouse experience is preferred, it is not mandatory, which may limit opportunities for those with no experience. The pay ranges from \$19.00 to \$20.00 per hour, and the job is full-time and contract-based. Candidates should be hardworking, punctual, and equipped with steel-toed boots. This role offers a chance to contribute to efficient warehouse operations, but lacks clear advancement pathways.

**Truck It Out LLC**

Brookshire, TX

OTR

Truck It Out LLC is looking for a motivated Final Mile Helper to assist in the delivery and assembly of goods. This role involves loading and unloading items from the delivery vehicle, ensuring packages are handled with care, and providing exceptional customer service during deliveries. The job requires heavy lifting and familiarity with safety protocols, particularly in moving items like furniture and fitness equipment. Candidates should have strong customer service skills and previous warehouse experience is preferred. The position is available as full-time, part-time, or contract, with pay starting from \$120.00 per day. The work location is primarily on the road, and the role is crucial for delivering quality service to customers. However, the requirement for prior experience makes this position unsuitable for entry-level candidates.

## Shipments Receiver(Fluent Japanese Required)

### Possible Fit

GSM-FUJI, LLC

Houston, TX 77020

GSM-FUJI, LLC is looking for a dedicated Receiver to join their warehouse team in Houston, TX. This role involves receiving and inspecting incoming shipments, utilizing forklifts and pallet jacks for loading and unloading, and maintaining accurate inventory records. The position offers a pay range of \$16.00 - \$17.00 per hour, with hands-on training provided by a senior manager, making it entry-level friendly. While no experience is required, the job does not explicitly mention a clear pathway to advancement or driving roles. The work involves organizing and stocking products, assisting in order fulfillment, and adhering to safety protocols, but it lacks a defined career progression.

# Warehouse and Shipping Clerk

Possible Fit

STEPPING STONE

Butter Emporium

Stafford, TX 77477

Butter Emporium is looking for a bilingual Warehouse and Shipping Clerk to join their team in Stafford, TX. The role involves processing incoming shipments, preparing outgoing shipments, and utilizing RF scanners for inventory tracking. Candidates must be forklift certified and able to lift at least 55 pounds, as well as work in cold environments, including a walk-in freezer. The position offers competitive pay based on experience and skills, with full-time hours expected at 40 per week. Benefits include 401(k) matching, health insurance, dental and vision insurance, life insurance, and paid time off. Clear communication skills in both English and Spanish are required, along with the ability to manage multiple tasks in a fast-paced environment.

# Warehouse Team Lead

## Possible Fit

### OnCall Staffing

Houston, TX 77038

OnCall Staffing is looking for a Warehouse Team Lead in Houston, TX, responsible for overseeing and coordinating warehouse activities. The role includes supervising a team of production workers, adjusting daily schedules for optimal efficiency, training and evaluating employees, and tracking daily performances to ensure production meets quotas. While the position offers leadership opportunities, it requires previous experience in a warehouse setting or related fields, which may limit entry-level candidates. Strong communication skills and the ability to thrive in a fast-paced environment are essential. Bilingual candidates are preferred, enhancing team communication. This role does not explicitly mention any training or advancement opportunities, making it less favorable for those seeking clear career pathways.

# Put Away- Weekday

## Possible Fit

Houston, TX 77085

The Putaway Associate position is essential for maintaining the efficiency of warehouse operations in Houston, TX. This role involves receiving and scanning inbound items, transporting products to designated storage locations, and ensuring inventory accuracy. The schedule is Monday to Thursday from 7:00 am to 5:30 pm, allowing for a consistent workweek. Physical demands include lifting up to 50 lbs frequently and extensive walking throughout the shift. While previous warehouse experience is a plus, it is not mandatory, making this role accessible to entry-level candidates. The job requires basic computer skills and a strong attention to detail, as well as the ability to work both independently and as part of a team. However, there are no explicit training or advancement opportunities mentioned, which limits its classification as a strong career pathway.
